### DYSPEPSIA.

is that misery experienced when we suddenly become a ware that we possess a diabolical arrangement called a stomach. The stomach is the reservoir from which every fibre and tissue must be neurished, and any trouble with this soon cell throughout the whole system. Among a dozen dyspepties no two will have the same predominantsy mptons. Dyspeptics of active mental power and a billous temperament are subject to Sick Headacher those, fleshy and phlegmatic have Constipation, while the thin and nervous are abandored togloomy forebodings. Some dyspepties are wonderfully forgetful; others have great irritability of temper.

Whatever form Dyspepsia may take, one thing is certain.

The underlying cause is

The underlying cause is in the LIVER, and one thing more is equally certain, no one will remain a dyspeptic who will

Start the Liver to working, when all other troubles. soon disappear.

"My wife was a confirmed dyspeptic. Some three years ago by the advice of Dr. Steiner, of Augusta, she was induced to try Simmons Liver Regulatur. I feel gruteful for the relief it has given her, and may all who read this and are afflicted in any way, whether chronic or otherwise, use Simmons Liver Regulator and I feel confident health will be restored to all who will be advised."—Wst. M. Kensu, Fort Valley, Ga.
